Aukliffmaker

So basically I wrote out a bunch of headcanons on another site so here:

-When the trio first arrives at JMA none of them have any real friends
-Auklet has a bunch of of SeaWings who help her with everything, but they're not really true friends
-Cliff is popular, but still has no actual good friends, just lots of acquaintances
-Peacemaker found it hard to make friends in the Rainforest, as the way he was a RainWing hybrid and his love of strawberries made others think he was weird
-Cliff and Peacemaker become friends first, as they're clawmates
-Cliff sings for Peacemaker and he loves it
-Quickly they're swapping stories. Peacemaker wants to know all about how Ruby killed Scarlet and Cliff's mom saved the day
-Cliff is really curious about the Rainforest
-They meet Auklet because they all headed to the wrong class
-And the class they're supposed to be in is all the way across the school
-Auklet panics, wanting to be a good student, so Cliff sings to calm her down
-Auklet laughs, and begins to banter with Cliff
-Cliff is surprised, since no one's really playfully insulted him before, as he's a prince
-Peacemaker joins in on Auklet's side, and whenever either of them come up with a good insult they high-five
-Soon class is over and Sunny finally finds the three laughing in an empty classroom
-They're put in detention together
-Soon the trio become known for going around and causing trouble
-Sunny groans that they're 'even worse than the Jade Winglet'
-Cliff gets defensive of Peril and claims that's impossible
-Auklet tells him he's impossible
-Peacemaker interrupts by saying how impossibility is simply a limit set by those who cannot achieve
-Everyone stops and stares at him
-Then Auklet starts laughing and punches his arm
-Soon the three start developing feelings for each other
-Auklet handles it best, as her family line has a wild history and she knows all love is okay
-Peacemaker PANICS
-He just tears down the hall, desperately trying to find Kinkajou when he realizes it
-This was a huge mistake, as Kinkajou is now their biggest shipper
-But she did help Peacemaker figure out what his feelings are
-Cliff is the only one who stays actually oblivious to his crush
-Auklet and Peacemaker confess first
-They joke about how they're gonna make a master plan to get Cliff to realize he's in love with both of them
-Then they take a moment and figure out that's a good idea
-They make a plan
-The next few weeks Cliff is really unsure why suddenly both of them are so cute???
-Finally Peacemaker kisses him one day
-Cliff's radiant
-Then he goes 'what about auk-'

-And she goes 'I'm right here'
-Cue dramatic camera turn to Auklet standing in the cave entrance
-She steps forwards
-Cliff's scared she might be sad
-Then she kisses him
-And suddenly Cliff realizes he has found pure joy
-Whenever they cuddle Auklet likes to be between Cliff and Peacemaker
-Because both of their tribes are really warm
-Auklet tries to teach them to swim and it's adorable
-Cliff campaigns for a Jade Mountain Choir and wins
-The three of them together do all the advertising, planning and setting up
When they introduce their relationship to Coral, you can tell she's about to protest
-But then she realizes how cute they are and screw it if both her daughters that could lead the kingdom are happy it doesn't matter that they're dating people from other tribes
-They're in a battle with Anemone and Tamarin every year to win cutest couple
-When they grow up, they manage to keep long-distance for a while
-Then they decide to all move into the rainforest
-They're the organizers for the Strawberry Festival every year
